

**BUSINESS  
DOCTORS**<sup>®</sup>  
ACHIEVE YOUR VISION

Dedicated to helping  
small & medium sized  
businesses achieve  
their vision

## How to plan, fund and achieve sustainable growth for your business

This seminar is aimed at any business owners/directors looking to achieve sustainable breakthrough growth for their company.

**Chris Sowerby** is a Business Doctor working with small and medium sized businesses to fulfil their potential. He will share 10 practical steps to achieving sustainable breakthrough growth in your business.

**Christine Lyle** is a Business Growth Enabler with Nat West Bank. She will outline the sources of finance available to support your growth and what the bank looks for when making lending decisions.

**Tracey McRobert & Denise Molloy** are Growth Managers for T4C. They will explain how your business can access the grant funding arena and gain a share of millions of pounds of funding available to support businesses to grow
